The kid looked at the STARFISH in his hand and then threw it to the safety of the waves. "It will make a difference to THIS ONE," he said.

See, there's basically NO LIMIT to what can get done EVENTUALLY by someone who's PERSISTENT like a dog and FOCUSED like a laser and has HANDS-ON COMPASSION like the dog with the star!

Can you give me any real life examples of WORLD CHANGERS?

NOT A PROBLEM, MATE!

JOHN FLYNN conquered the isolation of the people of inland Australia by envisioning and establishing the Flying Doctor Service which served and saved many lives coast to coast.

CATHY FREEMAN had the dream and determination that brought her from humble beginnings to win gold in the 400 metres sprint at the Sydney Olympics 2000 -- and win the hearts of a nation.

ARTHUR STACE, with a vision to lift a city's thoughts beyond the day-to-day, chalked the word 'ETERNITY' on Sydney's streets half a million times over 37 years. In NEW YEAR 2000 his message lit up the Sydney Harbour Bridge and was read by and inspired millions of viewers worldwide.

AND CHECK THIS ONE OUT...

NAPOLEON, famed military leader and Emperor-of-France bloke had THIS to say about the all-time ULTIMATE WORLD-CHANGER...

I marvel that whereas the ambitious dreams of myself, Caesar & Alexander should have vanished into thin air, a Judean peasant -- Jesus -- should be able to stretch His hands across the centuries & control the destinies of men & nations.

QUITE the CLAIM. HERE'S the SCOOP.

JESUS, God's own true blue SON, wants to CHANGE the WORLD by coming into YOUR LIFE and taking it from there! He's the BEST MATE you could EVER HAVE. He died for you but NOW LIVES ON for you so that ACTUAL ETERNAL LIFE can be YOURS.

(See Bible, John 1:16) NO JOKE, this is the REAL DEAL but you've got to be IN IT to WIN IT.

Just pray this prayer and it's done:

"JESUS, please come into my LIFE and HEART. Help me to be a WORLD-CHANGER by bringing your LOVE for others into MY LIFE. Forgive all my blowits, take away my regrets and replace them with your AWESOME POWER and LOVE, both in THIS LIFE and... FOREVER!"

YOU MIGHT be thinking...

Yeah, right, like you can change the WORLD. Well, it would be nice if you could. Yeah, and PIGS MIGHT FLY!

I mean, let’s face it, the World is a REALLY BIG place, and there is SO MUCH needs changing.

For example, there’s GREED, VIOLENCE, INTOLERANCE, APATHY, BIGNOTICE CYCLE OF POVERTY, DANDRUFE.

But I’m just one regular bloke...

How could I possibly ever be able to CHANGE the WORLD?!!

Well, just think ‘CORK’

Whaddaya mean, ‘think CORK’?

In a factory an elongated bar of steel, which weighed 225 kilograms was suspended vertically by a chain. Near it an average-size cork was suspended by a silk thread. The cork was swung gently against the steel bar which remained motionless.

For ten minutes the cork, with pendulum-like regularity, struck the steel bar. Then the bar vibrated slightly. At the end of an hour, the massive bar was swinging like the pendulum of a clock!

...and then there’s LIGHT

LIGHT? RIGHT!

DIFFUSED LIGHT has little power or impact...

but you can CONCENTRATE ITS ENERGY by FOCUSING it. With a magnifying glass, the rays of the sun can be focused to set grass or paper on fire.

When light is focused even more as a LASER BEAM it can cut through steel!

And then there’s the story of the kid and the STARFISH...

As an old bloke walked the beach at dawn, he noticed a kid ahead of him picking up STARFISH and flinging them into the sea.

Finally catching up with the young guy, he asked him why he was doing it.

The answer was that the stranded Starfish would die if left in the morning sun. But the beach goes on for MILES and there are MILLIONS of Starfish,” countered the old man.

“How can your efforts make any difference?”
